

LOVERS LANE  
UNITED METHODIST CHURCH

January 21, 2010

Dear Christ Family,

Lovers Lane is responding to the catastrophe in Haiti. We have received over \$10,000 in cash as of Sunday. Hundreds of emergency aid bags were distributed and will be returned for shipment by January 25. This is but the beginning of our outpouring of Christ's love through humanitarian aid.

We are sending all money we receive for Haiti to the United Methodist Committee on Relief (UMCOR). This is one of our finest and long-standing mission agencies within the church. We can be assured that every dollar sent to Haiti through UMCOR will go directly to the most pressing needs, which right now is for medical supplies. Our apportionment payments every year provide the administrative support for UMCOR; therefore, 100% of our mission dollars that they request go to Haiti relief.

Money can be sent by way of check or electronically to Lovers Lane. Please reference "Haiti" on the memo line of check or electronic transaction. Thank you for your generous response and your faithful prayers for the people in this poor country and others throughout the world who were killed or injured in the earthquake. Let us also pray for those who are there now who are administering much needed aid. If you have any questions, you can contact David McLaurin-Director of Outreach, Laurie Watts-Director of Finance, or me.

Grace and Peace,

Stan Copeland  
Pastor
